Who Owns the Sizzlingest Shape in America?

THIS MELODY

IS A HIT!

Melody also studied the piano and plays very well. And you can be very sure everyone stops and stares—but never laughs—when she sits down to play.

Some melodies make it the hard way. Others never make it at all. But Melody Lee has been a No. 1 hit with everyone ever since she was born in Ohio, 19 years ago.

She has already sung on a few local radio and TV stations and is planning to move to New York City in a few months, continue her studies and practice there, while at the same time trying to hit the Big Time.

"Sing along with Mitch," was one way to burn up the TV tubes, but breathes there a man with soul so dead who wouldn't rather sing along with Melody Lee, instead? Melody, a creamy-skinned blonde with corn-silk hair, is a singer of pop songs herself and seems headed for a TV career. And we don't mind suggesting to the network "package" producers that this blonde charmer is quite a package indeed!

For vocal exercises, she likes to sing outdoors, in her private backyard, at sundown. Then, all too soon, dusk falls and the song is ended—but a lovely Melody lingers on.

THE BEST CIRCLES

Statuesque lovely,
Edna Holland, started as a
London showgal 2 years
ago; now is star of her own
dance act as well as
an English peer's fiancée.

She truly travels in the best
circles. This modernistic foto of Miss
Holland was fittingly done by a
top lensman whose name is Ed Dutcher.

With her stunning figure, Annabelle's often been asked why she doesn't try for the movies. She says she prefers a live audience. "They show such instant delight," she says.

People looking for the finest in pulchritude and performance are saying "So what!" to Soho with Margo operating in the swankier nightspots. The Scotch lass with the delicate air has caused the biggest commotion in London since the Profumo scandal. She's a 38-26-36!

Helge Ericksen, another native of Finlandia, follows the local custom of not bothering with clothing in the privacy of the home. Now there's a nice custom!

A perfectly proportioned body and an extraordinarily beautiful face qualify Bettie Wanders in any competition to determine the Eighth Wonder of the World, in *Beauty*! Only one is Creation, for she wrote, "Beauty is truth, truth beauty,—that is all ye know on earth, and all ye need know." The truth is, Bettie is beautiful.

FACE TO FACE

Just because her name is Penny, it doesn't mean this lush lass didn't get her maney's worth when Mather Nature was passing out all those endearing young charms. Unlike Narcissus, who fell in love with his reflection, Penny McDonald isn't at all excited by her mirrored charms. She knows their worth, however, for they've made her a highly paid photographers' model.

DRY MARTINI

*Imbibers agree that one of
the most intoxicating drinks
is the dry martini. We feel
that nothing can make your
head swim faster than the
sight of this Martini— Maria.
We caught her dry outside
her L.A. backyard pool.*

CONTRAST

A silhouette of the female form is one of the most eye-arresting and exciting scenes that a camera can record. When the female form embodies the perfect profile, from head to toe, of lissome Bea Munyan, then you have a photograph that's worth saving. For the record, all three that you see here are Bea.

From either side, light or shadow, she is a photographer's dream. Bea's classic features, graceful figure and lithe body have her in great demand as a subject for art students. Note the slenderizing aspects of the silhouettes but she loses not a whit under the critical beam of studio lights.

**They Needn't Be — Because Now You Too Can Get
A Big Brawny He-Man Body — the Kind That Helps to Bring
Success in Sports, Business and Social Life**

NO MATTER what good things may be passing you by — **THEY NEEDN'T BE!** Men with powerful HE-MAN bodies seem to have an irresistible appeal to others. They win the respect of men, the admiration of women. Their health, strength, and energy pushes them forward in life.

And right now, whether you're 25 or 45, strong and sleek or fat and flabby, you can be a source of strength and energy — with the kind of body you've always longed to have!

My Secret Formula

I used to be a 97-lb. weakling. But now I don't have to take any look talk from anyone. I'm happily married, have lots of friends. I'm a success in business and social life. Have had 4 or 5 **DYNAMIC TENSION** — "that's the ticket!"

My secret formula, **Dynamite Tension**, makes up slumped muscles, shows new life into them — makes them hard as tempered steel. It adds inches of firm, rippling muscle to your chest, back and

legs — gives you broad, handsome shoulders that never fail to draw admiring glances.

You don't need any equipment or aids. **Dynamite Tension** requires only 5 simple minutes of your (1) a couple of your spare time, (2) willingness to build yourself into a brawny, sinewy, healthy specimen of manhood. **JUST 10 MINUTES A DAY** — right in the privacy of your own room. That's all it takes — and you can finally begin to feel **ALIVE** — thankful of who and what

FREE My valuable, illustrated, 32-page book. **Just \$1.00 — or Just 10¢ — Just FREE!**

OVER 3 MILLION MEN have already sent for my **Dynamite Tension** 32 pages illustrated with actual photos of fellows who have become real He-Men — jam-packed with vibrant action and answers to vital questions. No obligation at all. Just check the list of body "FOUL" spots in the form below — and send it to me. **CHARLES ATLAS, Dept. 2115, 1115 East 23rd St., New York 10, N.
